

MIDTERM EVALUATION

A midterm evaluation grade is completed between the fourth and seventh week for all students in lower-division undergraduate courses (levels 00000, 10000, 20000). Midterm evaluation grades are not given for summer or flexible-scheduled courses due to the short duration of these offerings. Midterm results are available to academic advisors and college/school/campus deans for the purpose of intervening when achievement is considered unsatisfactory according to program or university requirements. Students will be able to view their midterm grades in FlashLine for the fall or spring semester in progress. Midterm grades are not included as part of the students' academic transcript.
