Program Requirements

Licensure Requirements

Code	Title	Credit Hours
Licensure Requirements		
HED 54051	BIOBEHAVIORAL ASPECTS OF DISEASE PREVENTION IN HEALTH EDUCATION AND PROMOTION	3
HED 54091	SCHOOL HEALTH EDUCATION VARIABLE CONTENT SEMINAR	1
HED 54550	DRUG ABUSE AND VIOLENCE EDUCATION PROGRAMS	3
HED 64050	HEALTH BEHAVIOR	3
HED 64063	STRATEGIES IN HEALTH EDUCATION AND PROMOTION	3
HED 68092	DEVELOPMENTAL APPROACHES IN TEACHING SCHOOL HEALTH EDUCATION	3
Minimum Total Credit Hours:		16

Progression Requirements

- Must maintain a 3.000 overall GPA

Graduation Requirements

Minimum Major GPA	Minimum Overall GPA
3.000	3.000

- Students must complete a minimum of 50 Ohio Department of Education-required field experience hours. State or Federal background checks may be required for practicum or internship experiences.
- An analysis of additional content-area coursework required at the post-undergraduate level will be completed before entering into the

program, and a Plan of Study will be created based on transcript analysis and current licensure requirements by the Ohio Department of Education. A minimum B grade is required in each of these courses. This coursework would be in addition to requirements for the School Health Education non-degree program.

Licensure Information

Prior to program completion, the candidate must demonstrate proficiencies in the following areas (including but not limited to): data literacy and analysis; use of research and assessment data; leadership and collaboration; utilizing and supporting appropriate technology for the discipline; and application of professional dispositions, laws and policies, codes of ethics and professional standards appropriate to their field of specialization.

Candidates seeking Ohio teaching licensure are required to pass specific requirements in order to apply for licensure from the Ohio Department of Education (ODE). Students should consult the Health Education and Promotion program for specific program requirements and refer to the Ohio Department of Education - Educator Preparation website for more information on assessments specific to licensure type.

Program Learning Outcomes

Completers of this program will be able to:

1. Demonstrate competency in health education content, health literacy skills and digital literacy skills for the purpose of instilling healthy behaviors in all learners.
2. Plan relevant, meaningful, age- and developmentally appropriate, ability centered and culturally sensitive school health education instruction and programs that are theoretically based, sequential and aligned with the national health education K-12 standards.
3. Implement a range of school health education instructional strategies equitably and reflectively to meet the diverse needs of all learners.
4. Use multiple methods of assessment to enhance the acquisition of functional health knowledge and health-related skill proficiency for all learners.
5. Work collaboratively with various stakeholders in advocating school health education as an integral component of the school experience, demonstrate ethical behavior and engage in and reflect on various professional learning.

Residence Requirement Policy for Non-Degree Teacher Education Licensure/Endorsement Preparation Programs

- Non-degree licensure (initial and additional) and endorsement programs that are a total of 15 credits or above: Students must complete 60% of the coursework at Kent State University, including the course that addresses the CAEP A.1.1 Standard as designated by the program area.
- Non-degree licensure (initial and additional) and endorsement programs that are less than 15 total credits: Students must complete 100% of the coursework at Kent State University.
- Students are permitted 6 years to complete licensure programs and 4 years to complete endorsement programs at Kent State University.
- Coursework transferred from another university cannot be more than 6 years old at the time the licensure/endorsement program is completed.

- Students who do not meet the residence requirements will not be recommended for licensure by Kent State University.

Full Description

The School Health Education (P-12) Additional Licensure Preparation non-degree program is designed for professionals who already hold a teaching license and who desire an additional teaching license in school health education. The program meets the national and state professional preparation standards for school health educators that emphasize program planning, implementation and evaluation of accurate and current health education information for diverse learners in PreK-12 educational settings.

This program does not culminate in a master's degree. Students interested in a master's degree at Kent State must be fully admitted into and complete requirements for the master's program, in addition to courses that are prescribed here for endorsement.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
