Progression Requirements

Candidates seeking Ohio interpreting licensure from the Ohio Department of Education are required to have passed the entrance assessment and the Sign Language Proficiency Interview (Intermediate level or higher) or the American Sign Language Proficiency Interview (minimum 2.0

level). The Sign Language Proficiency Interview must be taken at the Ohio School for the Deaf.

- **Semester One:** Students must earn a minimum B- grade in ASEI 53100 in order to progress.
- **By Semester Four:** Students must have a minimum 3.000 licensure GPA and 2.750 overall GPA at the beginning of their fourth semester and maintain throughout.
- **Semester Four:** Students must take the entrance assessment with ASL/English interpreting faculty and a Deaf individual. Students who do not pass the assessment may take the test one more time before the fall semester. Students who fail both times will not be able to progress in the program.
- **Before Entering Semester Five:** Students must obtain a passing score on the Sign Language Proficiency Interview. Passing score will be a prerequisite for ASEI 53104, ASEI 53112 and ASEI 53118.
- **Semester Five:** Students will take an interpreting readiness assessment during ASEI 53104 as the midterm. Students who fail may continue progressing but must develop a professional development plan. Students must earn a minimum B- grade in ASEI 53104 to progress.
- **Start of Semester Six:** Students must take the entrance assessment during the spring when they're in ASL 29202. Students who fail the assessment may continue progressing but must develop a professional development plan.
- **All Semesters:** Students must complete all of their clinical hours each semester because completion of hours supersedes the course grade. There are 45 hours in the fall semesters and 30 in the spring semesters starting with the junior year.
- **All Semesters:** With exceptions noted above, students must earn a minimum C or S grade in ASEI, ASL or English courses to progress to the next semester.

- Non-degree licensure (initial and additional) and endorsement programs that are less than 15 total credits: Students must complete 100% of the coursework at Kent State University.
- Students are permitted 6 years to complete licensure programs and 4 years to complete endorsement programs at Kent State University.
- Coursework transferred from another university cannot be more than 6 years old at the time the licensure/endorsement program is completed.
- Students who do not meet the residence requirements will not be recommended for licensure by Kent State University.

Full Description

The American Sign Language/English Interpreting Licensure Preparation non-degree program prepares students for state licensing eligibility to become educational interpreters for the hearing impaired (birth to age 5). Completion of the prescribed coursework is a prerequisite to being recommended by Kent State University for licensure, and licenses are granted by the Ohio Department of Education

This program does not culminate in a master's degree. Students interested in a master's degree at Kent State must be fully admitted into and complete requirements for the master's program, in addition to courses that are prescribed for licensure.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
