ECED 60152	APPLICATION OF SELECTED THEORETICAL PRINCIPLES TO THE DEVELOPMENT OF YOUNG CHILDREN
------------	---

Minimum Total Credit Hours:

13

¹ Required credit hours based upon prior coursework and teaching experience, and current employment. All coursework for the license must be current. For candidates employed full time in a teaching capacity, an individualized plan for completing the practicum will be developed with the faculty advisor. This may include observations, partnering with a preschool teacher and development of a portfolio to demonstrate competency for teaching in the preschool years.

Progression Requirements

- Must maintain a minimum 3.000 overall GPA

Graduation Requirements

- Minimum C grade is required in each course for endorsement.
- The preschool internship may be completed during the summer session.

Licensure Information

Prior to program completion, the candidate must demonstrate proficiencies in the following areas (including but not limited to): data literacy and analysis; use of research and assessment data; leadership and collaboration; utilizing and supporting appropriate technology for the discipline; and application of professional dispositions, laws and policies, codes of ethics and professional standards appropriate to their field of specialization.

Candidates seeking Ohio teaching endorsement are required to pass specific requirements in order to apply for an endorsement from the Ohio Department of Education. Students should consult the Early Childhood Education program for specific program requirements and refer to the Ohio Department of Education - Educator Preparation website for more information on assessments specific to endorsement.

Students who do not apply for endorsement within 12 months of program completion may be subject to additional course requirement, based on standards in force at the time of application.

Program Learning Outcomes

Completers of this program will be able to:

1. Apply early childhood learning standards, including
 - a. knowing and understanding characteristics of young children
 - b. creating safe and appropriate environments for learning
 - c. working with diverse families
 - d. performing appropriate assessments
 - e. understanding and applying ethical principles within the profession

Residence Requirement Policy for Non-Degree Teacher Education Licensure/Endorsement Preparation Programs

- Non-degree licensure (initial and additional) and endorsement programs that are a total of 15 credits or above: Students must complete 60% of the coursework at Kent State University, including

the course that addresses the CAEP A.1.1 Standard as designated by the program area.

- Non-degree licensure (initial and additional) and endorsement programs that are less than 15 total credits: Students must complete 100% of the coursework at Kent State University.
- Students are permitted 6 years to complete licensure programs and 4 years to complete endorsement programs at Kent State University.
- Coursework transferred from another university cannot be more than 6 years old at the time the licensure/endorsement program is completed.
- Students who do not meet the residence requirements will not be recommended for licensure by Kent State University.

Full Description

The Early Childhood Education Pre-Kindergarten (3-5 years) Endorsement Preparation non-degree program is designed for teaching learners ages three through five and is limited to those with a Resident Educator or Professional Kindergarten-Primary, Elementary, Family and Consumer Sciences or a valid State of Ohio special certificate for the education of the handicapped.

This program does not culminate in a master's degree. Students interested in a master's degree at Kent State must be fully admitted into and complete the requirements for the master's program, in addition to courses that are prescribed here for licensure.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
